- AMP Tower & Flag Lighting
- Sydney Toyota
- Cisco Systems
- Zurich Capital Markets
- St. John Church
- Hillsong Church
- Taronga Zoo
- Sydney University
- NSW University
- Novatel Darling Harbour
- Sydney City Lexus
- Jaguar Australia
- Collex
- NRMA
- Student Prince
- Over 18 private home
- Numerous apartments

CTI Training

CTI Home Automation Training is available for booking starting in February.

The one day training course covers such topics as integrating lighting control systems, security, access control, CCTV, home networking and multi-room audio system.

On completion of the course you will be able to identify new business opportunities, perform basic design, determine equipment types and choose the correct cable.

You will confidently be able to fault find errors and solve basic problems.

Call CTI today to reserve your place.

The CTI Training Facility

Welcome Aboard

January saw Darren Kuitert join CTI as our Operations Manager. Darren brings 11 years of project and contract management to our team.

He is responsible for quotations, project delivery and scheduling of labour. Darren is based in our North Ryde office and he can be contacted on 02 9887 1000, 0405 111 226 or by email on darren.kuitert@ctia.net.au
